## CRICKET SHIRTS

In a public school it is very difficult to raise money for extra-curricular activities, therefore our sincere thank you to Mr Sean Buys and Protea Metering who sponsor golf shirts for our first Cricket Team. The shirts look the same the last 6 years and have as such become tradition for the first Cricket Team and our school.

Thank you that your Company is the sponsor of this beautiful shirt and part of tradition for the last 6 years.
